Home Care Package Pricing

The consumer's budget will vary depending on the level of the HCP funding allocated to the consumer by the government. The budget estimates below are an approximation of funding that could be allocated to the consumer. Funding differs from person to person depending on the individual circumstances. My Way will work with the client in determining the appropriate level of services that could be delivered within the budget that has been allocated to the consumer. Out-of-pocket contributions from clients are discussed if needed.

HOME CARE PACKAGE BUDGET/CONSUMER	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
Home Care budget per annum	\$10,556	\$18,622	\$40,529	\$61,440
Home Care budget per fortnight	\$406	\$714	\$1,554	\$2,356
Hours of care per year	\$113	\$198	\$431	\$653
Care hours per fortnight	4	8	16	20

Care Management Fee

The care management fee covers the cost of ensuring the appropriate level of support is provided to the consumer. This includes costs associated with regular reviews of the care plan and service coordination to ensure services delivered are in line with the consumer's goals and objectives.

Package Management Fee

The package management fee covers the cost of activities that ensure smooth delivery and management of the client's Home Care package, including preparation of monthly statements, compliance requirements, and quality assurance activities.

COST PER FORTNIGHT	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
Care management fee per fortnight	\$40	\$106	\$224	\$347
Package management fee per fortnight	\$40	\$72	\$161	\$243
Care management hours per fortnight	1	2	2	3

Staff Travel Cost

This is a travel cost for the support worker to visit the consumer's location or accompany consumers to appointments. Support staff travel costs can be billed at \$1 per kilometre.

Definitions:

Personal Care

This includes help with daily personal care needs such as getting in and out of bed, bathing, medication administration, etc.

Nursing Care

This may include wound care/management, medication administration, general health assessment for example, blood pressure tests, etc.

Daily Living Activities

This may include appointment visits, shopping, cleaning, meal preparation, and other household tasks.

Allied Health

This may include Occupational Therapy, Physiotherapy, Behavioural Support, etc.

Light Gardening

This may include help with watering the garden, light weed removal, mowing, etc.

In-House Respite

This involves short team support provided in the client's home, for example, in situations where the carer is away for a short time.
