General information

29

The financial statements cover My Way Community Alliance Ltd (My Way) as individual entity. The financial statements are presented in Australian dollars, which is My Way's functional and presentation currency.

My Way is a not-for-profit unlisted public company limited by guarantee, incorporated and domiciled in Australia. My Way is registered with Australian Charities and not-for-profits commission. Its registered office and principal place of business are:

Registered office:	Principal place of business:
Suite 1A/40 Hasler Road,	Suite 1A/40 Hasler Road,
Osborne Park,	Osborne Park,
WA 6017	WA 6017

A description of the nature of the company's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

ABN: 24 574 460 703

Chief Executive Officer's Report

My Way Community Alliance Ltd (My Way) closed this financial year 2024 on strong growth and expansion records. My Way is well established in the Great City of Geraldton and across Midwest region, with 5 office-based employees and 2 support workers. Moreover, My Way has expanded to the Eastern State, Victoria, Melbourne, and has 6 employees with offices based in Werribee and Sunshine. The My Way Allied Health Department has grown to 20 allied health professionals, with 8 therapy assistants and 12 experienced and qualified therapists, delivering functional capacity

assessment, mobility aids specialist support, speech and languages services, physiotherapy services, behavioural supports and nursing clinical care. The Department of Support Coordination has increased from 5 support coordinators, recovery coach and specialist support coordination to 7 staff in the year 2024.

The National Disability Insurance Scheme (NDIS) Accommodation and Community Services Department has recorded 181 support workers in 2024, providing direct care in the community and in 10 support accommodation houses.

My Way has added Aged Care Registration for Home care and flexible care, which was a tremendous achievement for year 2024.

In terms of revenues, My Way achieved strong performances in delivering quality and consistent support services to people with disability and their families with \$14 million revenue in 2024, which was a significant growth of 24% revenues compared to 2023 financial year. My Way remains strategically focused on its Vision and Mission as a one-stop super Service Provider, with main objectives of supporting and promoting valuable, meaningful, and contributing life for people with disability, seniors, and families.

ABN: 24 574 460 703

My Way remains a growing social entrepreneurial company, with corporate entrepreneurial models of providing quality, consistent opportunities through employment and service delivery. My Way's strategic vison is to have a balanced social and corporate entrepreneurial model, which is efficient and effective as well as delivering a sustainable impact to My Way stakeholders. My Way continues to receive referrals for new participants who need supports in community access and participation; daily in-home supports; recovery coaching and support coordination; plan Management; and accommodation.

Moreover, My Way has over 200 participants receiving support from our support staff, either by support workers, support coordinators, and plan management. Among these participants, there are about 14 participants living in My Way supported accommodation, which is individualized living option (ILO) and support independent living (SIL) homes. My Way's referral staff have been working closely with participants and families with approved NDIS plan from hospitals and rehabilitation wards; community through support coordinators, Local Area Coordination (LACs), NDIS Mission Australia, and NDIS APM, which are major subcontractors working collaboratively with National Disability Insurance Agency (NDIA) in Western Australia.

My Way has over 250 employees, with the majority employed as permanent part-time, some as fulltime and a few casual staffs. During the financial year of 2023-2024, My Way team worked hard and continued to provide consistent care to people with disability across all areas, in home, community and at hospitals. My Way has a proud organizational culture, driven by values, collective wisdom and guarded by visionary leadership across all departments. My Way continues to report a staff turnover lower than 2% in the financial year 2023 - 2024. This is a dedicated commitment, intention and contributions through leadership team and all staff. My Way's culture fosters staff wellbeing, safety, diversity, and an inclusive workplace.

Furthermore, My Way continues to grow and expand under the stewardship of Boards, Executive management and all staff who have tirelessly supported and guided My Way strategic directions and governance oversight over the last financial year. Through their contributions and fiduciary oversight, My Way has comprehensive policy and procedures, forms and templates for NDIS compliances, and built processes which are system focused rather than individual staff focused.

ABN: 24 574 460 703

During 2023-2024, My Way had secured additional Branch Offices Joondalup, Midland, Rockingham

and Mandurah which established strong corporate presence in all Perth metro areas, while keeping

Branch offices in Girrawheen, Osborne Park, Gosnells for local presence as well. However, My Way staff

continues to have a great workplace for their safety and mental wellbeing, and as a gesture for a

company with long-term mission and recognise the valuable contributions of staff.

My Way has developed robust IT and computing systems, Clouds, Microsoft Office, MYP, Clinko, Xero,

Central Assist software which protect, record, and manage participants and staff database. My Way

staff can work from remote sites and locations, and still access shared points and central data.

My Way has invested in staff trainings and development to increase duty of care, competency and

increased knowledge and skills to deliver safe, consistent, and quality services. These trainings are

linked to overall performance improvements and continuous development.

In conclusion, My Way has recorded significant growth in revenues and staffing across all Departments.

The company strategic direction, vison and mission continues to project to future opportunities. The

outputs and scaling strategies for expansion and growth parameters expand as projected; rebranding

and marketing strategies have put My Way in an integral leadership position in the sector, which is

being implemented with the spirit of partnerships and collaboration with peak bodies and institutions.

My Way has ended the fiscal year 2024 on high notes and spirits, and ready for new opportunities and

challenges in 2024.

Directors' Report 30 June 2024

The directors present their report, together with the financial statements, on My Way Community Alliance Ltd. (My Way) for the for the financial year ended 30 June 2024.

Directors

The following persons were a director of My Way during the whole of the financial year and up to the date of this report, otherwise stated:

Dr. Garang M. Dut John Piya (Appointed on 30 September 2024) Sain Srirangam (Resigned on 30 September 2024) Sahana Srirangam Peter Mapior

Objectives and Strategies

The purpose of My Way is to support people with disability and our ageing population, their families, and carers to live meaningful, valued and contributing lives. We aim to help make the community a better place for everyone. My Way aims to build and strengthen community connections, participation, partnerships, and wellbeing. My Way identifies opportunities for the ageing and people with disabilities and their families, and create resilient, cohesive, diverse, and inclusive communities. My Way supports, promotes and respects human rights and good quality life for people with disability, older Australians in particular, and all Australian citizens at large.

Principal activities

My Way is a registered NDIS provider and the principal activities includes the provision of the following main services:

- Accommodation, Supported Independent Living and Specialist Disability Accommodation;
- Tenancy Assistance, Assistance with daily life tasks in a group or shared living arrangement;
- Assistance with travel/transport arrangements;
- Daily Personal Activities and High Intensity Daily Personal Activities;
- Group and Centre Based Activities;
- Household tasks;
- Interpreting and translation;
- Participation in community/social and civic activities;
- Assistive products for household tasks;
- Assistance products for personal care and safety;
- Assistance in coordinating or managing life stages/transitions and supports;
- Positive Behaviour Support;

ABN: 24 574 460 703

Directors' Report 30 June 2024 (continued)

Principal activities (continued)

- Community nursing care for high needs;
- Development of daily living and life skills;
- Early Intervention supports for early childhood;
- Exercise Physiology and Physical Wellbeing activities;
- Innovative Community Participation;
- Therapeutic Supports;
- Plan Management;
- Support Coordination.

Performance measures

My Way continuously evaluates and monitors services to ensure that they are meeting the needs of our clients and supporting them to reach positive outcomes. My Way use various performance measures to assess the quality of our service delivery, including client satisfaction surveys, financial sustainability, and the level to which the company is meeting its short and long-term objectives. These insights are garnered through feedback analysis, program evaluation, and NDIS compliance management, all of which provides My Way with both qualitative and quantitative data to inform the success of the services provided and identify opportunity for growth.

Information on directors

Name: Dr. Garang M. Dut

Title: Non-executive Chairman

Qualifications: BA, MBA

Experience and expertise: Dr Garang is an experienced doctor, who has worked across various

health services in Australia. He has also made multiple contributions to research and has also been involved in international health

advocacy.

Name: John Piya

Title: Non-Executive Director (Appointed on 30 September 2024)

Qualifications: BA, MBA

Experience and expertise: John is experienced in change management, strategic management,

AI, and contract negotiations. He has held leadership roles in various

sectors in Australia and Africa.

Name: Saindhavi Srirangam

Title: Non-Executive Director (Resigned on 30 September 2024)

Qualifications: BA, Masters

Experience and expertise: Saindhavi is currently progressing towards a CPA qualification in an

audit firm, Dry Kirkness.

ABN: 24 574 460 703

Directors' Report 30 June 2024 (continued)

Information on directors (continued)

Name: Sahana Srirangam

Title: Non-Executive Director

Qualifications: BA, Masters

Experience and expertise: Sahana works as a psychosocial clinician at Canteen in a counselling

role, providing support for young people with cancer experience. Previous to this role, Sahana was working as a NDIS Specialist Support Coordinator at My Way Disability and Aged Care, supporting and coordinating the needs and recovery goals of people with disability

and their families.

Sahana graduated from Edith Cowan University with a master's in counselling and Psychotherapy. She also has a Bachelor of Psychology

(Hons) from the University of Pretoria in South Africa.

Name: Peter Mapior

Title: Managing Director

Qualifications: BA, Masters

Experience and expertise: Peter has had ten years of experience working in the community

services. He has held various roles including Operations Manager, Program Manager, Support Coordinator, and Recovery Coordinator.

Company secretary

John Piya has held the role of Company Secretary since 10 September 2023. John has previously held positions as secretary and director in small, medium, and large company such as public, private and not for profits company in Australia and East Africa. ABN: 24 574 460 703

Note 1. Summary of Material Accounting Policies

The accounting policies that are material to the company are set out below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The company has adopted all the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards – Simplified Disclosures and Interpretations issued by the AASB and the Australian Charities and Not-for- profits Commission Act 2012, as appropriate for not-for-profit oriented entities.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Going Concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realization of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the company incurred a loss of \$1,077,643 and had net cash outflows from investing and financing activities of \$275,861 and \$353,960 respectively for the year ended 30 June 2024. As at that date, the company had net current liabilities of \$1,580,288 and net liabilities of \$251,315.

These factors indicate a material uncertainty which may cast significant doubts as to whether the company will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amount stated in the financial report.

ABN: 24 574 460 703

Note 1. Summary of Material Accounting Policies (Continued)

Going concern (Continued)

The Directors believe that there are reasonable grounds to believe that the company will be able to continue as a going concern, after consideration of the following factors:

- The company is committed to massive growth and expansion of its operations in new markets such as Melbourne and Geraldton. The company had invested money in employment costs, office and admins and IT into the new market and is expected to see return in the 6 months after year end, hence increase in the revenue collected. The company invested in diversifying services and operations by including Aged Care Home Care and Flexible care, hence there will be more in collected through Home Care Service delivery in the next 6 months on the existing systems and processes, hence more revenue will be collected with less employment and technology expenses.
- The company will introduce strict cost cutting measures across all cost centres. Particularly
 employment expenses, and general office admin expenses. The company will reduce employment
 costs by recruiting directly and locally, rather than using recruitment agents, which charges 20%
 of the salary of one employee placement, and hence cut on sponsorship costs.
- The company will explore pay-roll cost reduction measures, such as using outsourcing options for some tasks, and hence giving the company options of offering part-time employment than fulltime employment.
- The Directors will explore options of loan capital to boost growth and expansion cash.

Accordingly, the Directors believe that the company will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the company does not continue as a going concern.

(a) Revenue and other income recognition

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer.

For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

ABN: 24 574 460 703

Note 1. Summary of Material Accounting Policies (Continued)

(a) Revenue and other income recognition (Continued)

Revenue from contracts with customers (Continued)

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

All revenue is stated net of the amount of goods and services tax (GST).

Events/fundraising

Events, fundraising, and raffles are recognised when received or receivable.

There was no fundraising for the year ended 30 June 2024.

Donations

Donations are recognised at the time the pledge is made.

There were no donations for the year ended 30 June 2024.

Grants

Grant revenue is recognised in profit or loss when the company satisfies the performance obligations stated within the funding agreements. If conditions are attached to the grant which must be satisfied before the company is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

There were no grants for the year ended 30 June 2024.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

ABN: 24 574 460 703

Note 1. Summary of Material Accounting Policies (Continued)

(a) Revenue and other income recognition (Continued)

Other income

Other income is recognised when it is received or when the right to receive payment is established.

Lease revenue

The company earns rental income from operating leases of its right-of-use assets (see Note 9). Rental income is recognised on a straight-line basis over the term of the lease, net of any incentives as to reflect a constant periodic rate of return on the net investment.

Volunteer services

The company has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

(b) Income Tax

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

(c) Current and Non-Current Classification

Assets and liabilities are presented in the statement of financial position based on current and noncurrent classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current. Deferred tax assets and liabilities are always classified as non-current.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, and which are subject to an insignificant risk of changes in value.

ABN: 24 574 460 703

Note 1. Summary of Material Accounting Policies (Continued)

(e) Trade and Other Receivables

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

(f) Contract Assets

Contract assets are recognised when the company has transferred goods or services to the customer but where the company is yet to establish an unconditional right to consideration. Contract assets are treated as financial assets for impairment purposes.

(g) Plant and Equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes purchase price, other expenditure that is directly attributable to the acquisition of the items, and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of plant, and equipment over their expected effective/useful lives as follows:

Accommodation furniture 5 years (2023: 5 years) Art and decorative 100 years (2023: 100 years) Computer equipment 2 - 4 years (2023: 2 - 4 years) Motor vehicle

4 years (2023: 4 years)

Office equipment 4 - 5 years (2023: 4 – 5 years) Office renovation 10 years (2023: 10 years)

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of plant and equipment is de-recognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

(h) Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Note 1. Summary of Material Accounting Policies (Continued)

(h) Right-of-use assets (Continued)

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The company has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

(i) Impairment of Non-Financial Assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pretax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(j) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature, they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

(k) Contract Liabilities

Contract liabilities represent the company's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the company recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the company has transferred the goods or services to the customer.

(I) Employee Benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Note 1. Summary of Material Accounting Policies (Continued)

(I) Employee Benefits (Continued)

Other long-term employee benefits

The liability for annual leave and long service leaves not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

Defined contribution superannuation expense

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

(m) Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses, and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. There are no judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

(i) Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly because of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

(ii) Key estimates - provisions including employees' entitlement

Provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. As discussed in the accounting policies note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date.

2024	2023
\$	\$
137,530	129,545
	\$

Note 21. Events after the reporting period

No matter or circumstances has arisen since 30 June 2024 that has significantly affected or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

30 June 2024

Directors' Declaration

In the directors' opinion:

- the attached financial statements and notes comply with the Australian Accounting Standards
 Simplified Disclosures, the Australian Charities and Not-for-profits Commission Act 2012, and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the company's financial position as at 30 June 2024 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors.

On behalf of the directors,

Peter Mapior
Managing Director

Dr. Gerang M. Dut

INDEPENDENT AUDITOR'S REPORT

To the Members of My Way Community Alliance Ltd

Opinion

We have audited the financial report of My Way Community Alliance Ltd (the 'Company'), which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

In our opinion, the financial report of the Company has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Company's financial position as at 30 June 2024 and of its financial performance and cash flows for the year ended on that date; and
- (b) complying with Australian Accounting Standards Simplified Disclosures under AASB 1060 General Purpose Financial Statements Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities, Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2022.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the financial report, which indicates that the Company incurred a net loss of \$1,077,643 during the year ended 30 June 2024 and, as of that date, the Company had net current liabilities of \$1,580,288 and net liabilities of \$251,315. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

THE POWER OF BEING UNDERSTOOD ASSURANCE | TAX | CONSULTING

RSM Australia Partners is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any jurisdiction. RSM Australia Partners ABN 36 965 185 036

Liability limited by a scheme approved under Professional Standards Legislation

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 30 June 2024, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures under AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities and the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the consolidated financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

Independence

We confirm that the independence declaration required by the ACNC Act, which has been given to the directors of the Company would be in the same terms if given to the directors as at the time of this auditor's report.
